We permit you (as described below) to access your HSA with a card. This service is offered for the convenience of managing your HSA. However, electronically accessing your HSA - for example, getting additional cash back on an HSA debit card transaction - can raise a variety of tax concerns. As a result, before electronically accessing your HSA make sure you are using the correct card. Also, it is your responsibility to ensure the contributions, distributions, and other actions related to your HSA, comply with the law, including federal tax law. As always, we recommend consulting a legal or tax professional if you have any questions about managing your HSA.

The terms of this disclosure are intended to work in conjunction with the HSA Agreement provided to you earlier. In the event of a conflict, the terms of the HSA Agreement control. You understand that your HSA is intended to be used for payment of qualified medical expenses. It is your responsibility to satisfy any tax liability resulting from use of your HSA for any purpose other than payment or reimbursement of qualified medical expenses. We do not monitor the purpose of any transaction to or from your HSA. Nor are we responsible for ensuring your eligibility for making contributions or ensuring withdrawals are used for payment or reimbursement of qualified medical expenses. Refer to your HSA Agreement for more information relating to the use of your HSA.

CURRENCY CONVERSION AND INTERNATIONAL TRANSACTIONS:

When you use your VISA® Debit card for this type of transaction and it settles in a currency other than US Dollars, the charge will be converted into the US Dollar amount. The currency conversion rate used to determine the transaction amount in US Dollars is either a rate selected by VISA® from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate VISA® itself receives, or the government-mandated rate in effect for the applicable central processing date.

The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date. VISA® USA charges us a .8% International Service Assessment on all international transactions, regardless of whether there is a currency conversion. If there is a currency conversion, the International Service Assessment is 1% of the transaction. As a result, we charge you a 1% international transaction fee on all international transactions and will absorb the .8% fee. An international transaction is a transaction where the country of the merchant is outside the USA.

Please call us at the number listed in this brochure if you plan to travel outside of the United States and would like access to your debit card. Please also contact us if you plan to travel outside of Wisconsin.

Advisory Against Illegal Use. You agree not to use your card(s) for illegal gambling or other illegal purposes. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the Cardholder may be located.

Non-VISA® Debit Transaction Processing. We have enabled non-VISA® debit transaction processing. This means you may use your VISA® Debit card on a PIN-Debit Network* (a non-VISA® network) without using a PIN.

The Non-VISA® debit network(s) for which such transactions are enabled are: PULSE Network.

Examples of the types of actions you may be required to make to initiate a VISA® transaction on your VISA® Debit card include signing a receipt, providing a card number over the phone or via the Internet, or swiping the card through a point-of-sale terminal. Examples of the types of actions you may be required to make to initiate a transaction on a PIN-Debit Network include initiating a payment directly with the biller (possibly via telephone, Internet, or kiosk locations), responding to a logo displayed at a payment site and choosing to direct payment through that network, and having your identity verified using known information derived from an existing relationship with you instead of through use of a PIN.

The provisions of your agreement with us relating only to VISA® transactions are not applicable to non-VISA® transactions. For example, the additional limits on liability (sometimes referred to as VISA®'s zero liability program) and the streamlined error resolution procedures offered on VISA® debit card transactions are not applicable to transactions processed on a PIN-Debit Network.

*VISA® rules generally define **PIN-Debit Network** as a non-VISA® debit network that typically authenticates transactions by use of a personal identification number (PIN) but that is not generally known for having a card program.

Limitations on Frequency and Amount:

- You may withdraw up to a maximum of \$200.00 (if there are sufficient funds in your account) per day.
- You may purchase up to a maximum of \$1000.00 worth of goods and services per day, exclusive of ATM withdrawals.

Fees and Charges:

- There is no charge for ATM withdrawals at machines owned by us.
- There is no charge for ATM deposits at machines owned by us.
- There is a charge of \$.20 per debit if checking account; \$2.00 per debit if savings account; is in a service charge status.
- There is a Replacement Card Fee of \$10.00 per card.
- We do not charge for any POS transactions.

ATM Fees. When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

BUSINESS VISA® DEBIT CARD

You may access your account for telephone transactions at the following number(s) and during the following hours: (608) 643-5098 (24 hours a day). 1-800-685-9404 (24 hours a day).

Limitations on Frequency and Amount:

- There are no limits on the number or dollar amount of inquiries, transfers or withdrawals you may make per day.

Fees and Charges for Audio Response Transactions:

- There is a charge of \$.20 per debit if checking account; \$2.00 per debit if savings account; is in a service charge status.

Other EFT Transactions. You may access certain account(s) you maintain with us by other EFT transaction types as described below.

Electronic Check Conversion. You may authorize a merchant or other payee to make a one-time electronic payment from your account using information from your check to pay for purchases or pay bills. Electronic check conversion is a payment process in which a merchant or other payee (after obtaining your authorization) uses your check to gather routing, account, and check number information to initiate a one-time EFT. When information from your check is used to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment. This type of EFT transaction involving a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. A description of the transaction will appear on your statement.

Re-presented Check Transactions and Fees. You may authorize a merchant to electronically collect a fee associated with the re-presentation of a check that is returned due to insufficient or unavailable funds. The resulting fee transaction if debited as an EFT from a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. When a merchant re-presents a check electronically, that transaction is not covered by the Electronic Funds Transfer Act or this disclosure. A description of the transaction will appear on your statement.

Electronic Fund Transfers Initiated By Third Parties. You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and bank information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your bank and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers.

Preauthorized Credits. You may make arrangements for certain direct deposits to be accepted into your checking, savings, or money market account(s).

Preauthorized Payments. You may make arrangements to pay certain recurring bills from your checking, or money market account(s).

Liability for Unauthorized VISA® Debit Card Transactions. The following limitations may be applicable to your accounts, except as provided by law:

The zero liability limit described below only applies to debit cards that are United States issued VISA® Consumer Cards or VISA® Business Cards for transactions processed through a VISA® network or, for ATM transactions, a Plus network. The zero liability limit described below does not apply to: (a) other types of VISA® commercial debit cards that are not VISA® Business Cards; (b)

transactions using your personal identification number that are not processed through a VISA® network; and (c) ATM transactions which are not sent over VISA® or Plus networks.

Tell us **AT ONCE** if you believe your VISA® debit card has been lost or stolen or if you believe any unauthorized transactions have been made using your VISA® debit card. Your liability for unauthorized VISA® debit card transactions that are processed through a VISA® or Plus network, as applicable, will be zero dollars (\$0.00). However, to the extent allowed under applicable law (see for example the **Liability for Unauthorized Transfers** paragraph below) we may hold you liable for the entire amount of an unauthorized transaction if we find, based on substantial evidence, that you have been negligent or fraudulent in the handling of your deposit account or VISA® debit card.

For VISA® Business Cards: An "unauthorized transaction" does not include any transaction allegedly conducted by (a) a business co-owner, (b) the cardholder or person authorized by the cardholder, or (c) any other person with an interest in or authority to transact business on the account.

To notify us of lost or stolen cards, or of unauthorized transactions, call or write to us at the telephone number or address set forth in the **Liability for Unauthorized Transfers** paragraph below. This will help prevent unauthorized access to your account and minimize any inconvenience.

VISA® is a registered trademark of VISA® in the United States and other countries.

In addition to the limitations set forth above, the following limitations may be applicable to your accounts:

Liability for Unauthorized Transfers. Tell us AT ONCE if you believe your card, ATM PIN, POS card or PIN, Audio Response PIN, or online banking PIN has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two (2) business days after you learn of the loss or theft of your card or code, you can lose no more than \$50.00 if someone used your card or code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your card or code, and we can prove that we could have stopped someone from using your card or code without your permission if you had told us, you could lose as much as \$500.00. Also, if your statement shows transfers that you did not make, including those made by card code or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was mailed to you, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods.

If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (608) 643-3393, or write us at Bank of Prairie du Sac, Personal Bankers, 555 Park Avenue, Prairie du Sac, WI 53578.

You should also call the number or write this address if you believe a transfer has been made using the information from your check without your permission.

Illegal Transactions. You may not use your ATM, POS, or Debit Card, or other access device for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness. Notwithstanding the foregoing, we may collect on any debt arising out of any illegal or unlawful transaction.

Business Days. For purposes of these electronic funds transfer disclosures, our business days are Monday through Friday. Holidays are not included.

Stop Payments on ATM, POS, or Debit Card Transactions. You may not place a stop payment order on any ATM, POS, or debit card transaction.

Documentation.

Periodic Statement. You will get a monthly account statement from us on your checking account. For all other accounts you will get a monthly account statement from us, unless there are no transactions in those accounts in a particular month (in which case you will get a statement at least quarterly). You will get a quarterly statement from us on your savings account if this is the only account you maintain and the only possible electronic transfer to or from the account is a preauthorized deposit. If you have a passbook account, you may bring your passbook to us and we will record any direct deposits that we made to your account since the last time you brought in your passbook.

Terminal Receipt. You can get a receipt at the time you make a transfer to or from your account using one of our ATMs or a POS terminal. However, receipts for transactions of \$15.00 or less may not always be available.

Direct Deposits. If you have arranged to have direct deposits made to your account at least once every sixty (60) days from the same person or company, you can call us at (608) 643-3393 to find out whether or not the deposit has been made.

Our Liability for Failure to Make Transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will **NOT** be liable for instance:

- If, through no fault of ours, you do not have enough money in your account to make the transfer.
- If the money in your account is subject to legal process or other claim restricting such transfer.
- If the transfer would go over the credit limit on your overdraft line.
- If the ATM where you are making the transfer does not have enough cash.
- If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken.
- There may be other exceptions stated in our agreement with you.

In Case of Errors or Questions about Your Electronic Transfers. Telephone us at **(608) 643-3393**, or write us at **Bank of Prairie du Sac, Personal Bankers, 555 Park Avenue, Prairie du Sac, WI 53578** as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and account number (if any).
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days. We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

If a notice of error involves an electronic fund transfer that occurred within thirty (30) days after the first deposit to the account was made, the error involves a new account. For errors involving new accounts, point of sale debit card transactions, or foreign-initiated transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

If a notice of error involves unauthorized use of your point of sale debit card with the VISA® logo when it is used as a VISA® point of sale debit card, we will provide provisional credit within five (5) business days after you notify us instead of within ten (10) or twenty (20) business days.

We may withhold providing this accelerated provisional credit, to the extent allowed under applicable law, if the circumstances or account history warrants the delay.

Confidentiality. We will disclose information to third parties about your account or the transfers you make:

- To complete transfers as necessary;
- To verify the existence and condition of your account upon the request of a third party, such as a credit bureau or merchant; or
- To comply with government agency or court orders; or
- If you give us your written permission.

Personal Identification Number (PIN). The ATM PIN, POS PIN or Audio Response PIN issued to you is for your security purposes. The numbers are confidential and should not be disclosed to third parties or recorded on the card. You are responsible for safekeeping your PIN(s). You agree not to disclose or otherwise make your ATM PIN, POS PIN or Audio Response PIN available to anyone not authorized to sign on your accounts.

Notices. All notices from us will be effective when we have mailed them or delivered them to your last known address on our records. Notices from you will be effective when received by us at the telephone number or the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least twenty-one (21) days before the effective date of any change, as required by law. Use of this service is subject to existing regulations governing your account and any future changes to those regulations.

Enforcement. In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorneys' fees and costs, including fees on any appeal, subject to any limits under applicable law.

Termination of ATM, POS and Audio Response Services. You agree that we may terminate this Agreement and your use of the ATM Card, POS or Audio Response services, if:

- You or any authorized user of your ATM PIN, POS card or PIN or Audio Response PIN breach this or any other agreement with us;
- We have reason to believe that there has been an unauthorized use of your ATM PIN, POS card or PIN or Audio Response PIN;
- We notify you or any other party to your account that we have cancelled or will cancel this Agreement. You or any other party to your account can terminate this Agreement by notifying us in writing.

Termination of service will be effective the first business day following receipt of your written notice. Termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

Preauthorized Electronic Fund Transfers.

Stop Payment Rights. If you have told us in advance to make regular electronic fund transfers out of your account(s), you can stop any of these payments. Here's how: Call us or write to us at the telephone number or address set forth above, in time for us to receive your request three (3) business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within fourteen (14) days after you call. We will charge you \$ 20.00 for each stop payment order you give.

Notice of Varying Amounts. If these regular payments may vary in amount, the person you are going to pay will tell you, ten (10) days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

Liability for Failure to Stop Payment of Preauthorized Transfers. If you order us to stop one of these payments three (3) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Other Provisions. There may be a delay between the time a deposit is made and when it will be available for withdrawal. You should review our Funds Availability Policy to determine the availability of the funds deposited at ATMs. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account.

ATM SAFETY TIPS

As issuers of Automated Teller Machine (ATM) access devices, we have provided for your information a list of safety precautions regarding the use of automated teller machines. Please read the following safety tips:

- Be aware of your surroundings, particularly at night.
- Consider having someone accompany you when the automated teller machine is used after dark.
- It is appropriate to politely ask someone who is uncomfortably close to you to step back before you complete your transaction.
- Refrain from displaying your cash. Pocket it as soon as your transaction is completed. Count the cash later in the safety of your car or home.
- Consider using another automated teller machine or coming back later if you notice anything suspicious. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, pocket your ATM access device and leave.
- Go to the nearest public area where people are located if you are followed after making a transaction.
- Report all crimes to law enforcement officials immediately.
